

**Two Day Conference on  
GeoPractices Towards  
Sustainable Infrastructure**  
04-05 October 2024

**Date:05 June 2024**

Dear Sir/Madam

It is our great pleasure to invite you to the **Two-day Conference on Geo-Practices towards Sustainable Infrastructure [GeoPractices 2024]** organized by IGS Hyderabad Chapter and the Department of Civil Engineering, IIT Hyderabad, scheduled to be held on the 4th and 5th of October 2024 at IIT Hyderabad.

Geotechnical Engineering Practices [**GeoPractices**] has been a part of the IGS Hyderabad Chapter's annual conference series since 2011. This conference edition is resolved to create a network of young and determined people interested in Geotechnical Engineering Practices towards Sustainable Infrastructure Development. The focus is to create awareness among students, research scholars, practitioners, and engineers on the importance of Geotechnical Sustainable practices and to encourage interaction between participants and experts from various engineering colleges, consultants, and industries.

The conference is followed by the IGS-Ferroco Terzaghi Oration, a flagship event of the Indian Geotechnical Society, New Delhi, organized biennially. This year, the IGS-Hyderabad chapter is hosting the Terzaghi Oration at IIT Hyderabad.

In this backdrop, it gives us immense pleasure in extending our warm invitation to attend and support our conference on "Geo-Practices towards Sustainable Infrastructure". The conference aims at providing a platform for sharing the knowledge and ideas among academicians, researchers, practitioners, domain experts and students. For more information, please go through the conference webpage: <https://geopractices2024.com>.

Please consider the importance and impact of your sponsorship. Your contribution will help ensure a quality event and have a broad impact on Geotechnical engineering community. The list describing the specific levels of sponsorship and our commitment to recognizing your organization is enclosed herewith.

We look forward to see your presence with active contribution and support to make this event successful. Your early response would be greatly appreciated as it shall enable us to make final announcements in time.

If you have any queries, please do not hesitate to contact the Conference Chair and Secretary at [igs.hyd@gmail.com](mailto:igs.hyd@gmail.com).

We look forward to seeing you in Hyderabad.

**Yours sincerely,**

Prof. Sireesh S (Conference Chair)  
Chairman, IGS Hyderabad Chapter  
Department of Civil Engineering, IIT Hyderabad  
[sireesh@ce.iith.ac.in](mailto:sireesh@ce.iith.ac.in)

Dr. C Hari Prasad (Conference Secretary)  
Honorary Secretary, IGS Hyderabad Chapter  
Head, Department of Civil Engineering, Mahindra University, Hyderabad
